INFORMATION CIRCULAR – PROXY STATEMENT

for the Annual General and Special Meeting of Shareholders
to be held on January 6, 2022

SOLICITATION OF PROXIES

This Information Circular - Proxy Statement (the “Information Circular – Proxy Statement”) is furnished in connection with the solicitation of proxies by the management of Aldebaran Resources Inc. (the “Corporation” or “Aldebaran”) for use at the annual general and special meeting (the “Meeting”) of the holders (“Shareholders”) of common shares (“Common Shares”) of the Corporation to be held on the 6th day of January, 2022 at the offices of Dentons Canada LLP, 15th Floor Bankers Court, 850 – 2nd Street S.W., Calgary, Alberta at 11:00 a.m. (Calgary time), and at any adjournment thereof, for the purposes set forth in the Notice of Annual General and Special Meeting of Shareholders.

The board of directors of the Corporation (the “**Board**”) has fixed the record date for the Meeting at the close of business on December 1, 2020 (the “**Record Date**”). Shareholders of the Corporation of record as at the Record Date are entitled to receive notice of the Meeting and to vote those shares included in the list of Shareholders entitled to vote at the Meeting prepared as at the Record Date, unless any such Shareholder transfers shares after the Record Date and the transferee of those shares, having produced properly endorsed certificates evidencing such shares or having otherwise established that he or she owns such shares, demands, not later than 10 days before the Meeting, that the transferee's name be included in the list of Shareholders entitled to vote at the Meeting, in which case such transferee shall be entitled to vote such shares at the Meeting.

Unless otherwise stated, the information contained in this Information Circular – Proxy Statement is given as at December 1, 2021.

APPOINTMENT OF PROXYHOLDER

Shareholders may wish to vote by proxy whether or not the Shareholders are able to attend the Meeting in person.

The instrument appointing a proxy shall be in writing and shall be executed by the Shareholder or the Shareholder's attorney authorized in writing or, if the Shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized.

The persons named in the enclosed Instrument of Proxy are a director and officer of the Corporation or legal counsel of the Corporation. Each Shareholder has the right to appoint a proxyholder other than the persons designated, who need not be a Shareholder, to attend and to act for the Shareholder at the Meeting. To exercise such right, the names of the nominees of management of the Corporation should be crossed out and the name of the Shareholder's appointee should be legibly printed in the blank space provided in the Instrument of Proxy or by completing and delivering another suitable form of proxy.

Shareholders may submit the Instrument of Proxy by:

- (a) Completing, dating and signing the Instrument of Proxy or some other suitable form of proxy and returning it to the Corporation's transfer agent, Computershare Trust Company of Canada (“**Computershare**”), by mail or by hand to Computershare Trust Company Proxy Department, 100 University Avenue, 8th Floor, Toronto, Ontario M5J 2Y1 or by facsimile (866) 249-7775 (toll free);

- (b) Using the internet through the website of Computershare at www.investorvote.com. The Shareholder must follow the instructions that appear on the screen and refer to the instructions on the Instrument of Proxy for the holder's account number and the proxy access number; or
- (c) Telephoning (866) 732-8683 (toll free) or a telephone number given on the Instrument of Proxy to transmit voting choices. The Shareholder must follow the instructions of the voice response system and refer to the instructions on the Instrument of Proxy for the toll free number, the holder's account number and the proxy access number.

In all cases Shareholders' votes must be received not later than 11:00 am (Calgary Time) on January 4, 2022 or not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time for the holding of the Meeting or any adjournment thereof.

The website or telephone may be used to appoint a proxy holder to attend and vote on a Shareholder's behalf at the Meeting and to convey a Shareholder's voting instructions. Please note that if a Shareholder appoints a proxy holder and submits their voting instructions and subsequently wishes to change their appointment, a Shareholder may resubmit their proxy and/or voting direction, prior to the deadline noted above. When resubmitting a proxy, the most recently submitted proxy will be recognized as the only valid one, and all previous proxies submitted will be disregarded and considered as revoked, provided that the last proxy is submitted by the deadline noted above.

The conference number below has been provided to enable Shareholders to participate in a voice only conference call for the Meeting:

Dial-in toll-free: 855 703 8985 (Canada); 877 853 5247 (United States);

Meeting ID: 974 637 6170

Participant Code: 365146

At the date of this Information Circular – Proxy Statement, it is the intention of Management of the Company to hold the Meeting at the location stated above in this Notice. We are continuously monitoring development of the current COVID-19 crisis. In light of the rapidly evolving public health guidelines related to COVID-19, we ask shareholders to consider voting their shares by proxy and not to attend the meeting in person. A Shareholder may attend the Meeting in person or may be represented by proxy. Shareholders who do wish to attend the Meeting in person are asked to follow the instructions of the federal Public Health Agency of Canada, and all regional health authorities of the Province of Alberta and must be fully vaccinated to attend the offices of Dentons Canada LLP. Please do not attend the Meeting in person if you are experiencing any cold or flu-like symptoms, or if you or someone with whom you have been in close contact with has travelled to/from outside of Canada within the 21 days immediately prior to the Meeting. All Shareholders are encouraged to vote by submitting their completed form of proxy (or voting instruction form) prior to the Meeting by one of the means described in this Information Circular – Proxy Statement. Shareholders are invited to listen to the Meeting via teleconference if they wish (call in details above).

BENEFICIAL HOLDERS OF SHARES

The information set forth in this section is provided to beneficial holders of Common Shares who do not hold their Common Shares in their own name (“**Beneficial Shareholders**”). Beneficial Shareholders should note that only proxies deposited by Shareholders whose names appear on the records of the Corporation as the registered holders of shares can be recognized and acted upon at the Meeting. If shares are listed in an account statement provided to a Beneficial Shareholder by a broker, then in almost all cases those shares will not be registered in the Beneficial Shareholder's name on the records of the Corporation. Such shares will more likely be registered under the name of the Beneficial Shareholder's broker or an agent of that broker. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which acts as nominees for many Canadian brokerage firms). Shares held by brokers or their

nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, the broker/nominees are prohibited from voting shares for their clients. The Corporation does not know for whose benefit the shares registered in the name of CDS & Co. are held.

Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Shareholders in order to ensure that their shares are voted at the Meeting. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**"). Broadridge typically provides a scannable voting request form or applies a special sticker to the proxy forms, mails those forms to the Beneficial Shareholders and asks Beneficial Shareholders to return the voting request forms or proxy forms to Broadridge. Often Beneficial Shareholders are alternatively provided with a toll-free telephone number to vote their shares or website address where shares can be voted. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. **A Beneficial Shareholder receiving a voting instruction request or a proxy with a Broadridge sticker on it cannot use that instruction request or proxy to vote Common Shares directly at the Meeting as the proxy must be returned as directed by Broadridge well in advance of the Meeting in order to have the shares voted. Accordingly, it is strongly suggested that Beneficial Shareholders return their completed instructions or proxies as directed by Broadridge well in advance of the Meeting.**

This Information Circular - Proxy Statement and accompanying materials are being sent to both registered Shareholders and Beneficial Shareholders. The Corporation does not send proxy-related materials directly to Beneficial Shareholders and is not relying on the notice-and-access provisions of securities laws for delivery to either registered or Beneficial Shareholders. The Corporation will deliver proxy-related materials to nominees, custodians and fiduciaries and they will be asked to promptly forward them to Beneficial Shareholders. If you are a Beneficial Shareholder your nominee should send you a voting instruction form or proxy form along with this Information Circular - Proxy Statement. The Corporation has elected to pay for the delivery of our proxy-related materials to objecting Beneficial Shareholders.

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his or her broker (or agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the registered Shareholder and vote Common Shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for the registered Shareholder should enter their own names in the blank space on the form of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

REVOCABILITY OF PROXY

A Shareholder who has submitted a proxy may revoke it at any time prior to the exercise thereof. If a person who has given a proxy attends personally at the Meeting at which such proxy is to be voted, such person may revoke the proxy and vote in person. In addition to revocation in any other manner permitted by law, a proxy may be revoked by instrument in writing executed by the Shareholder or the Shareholder's attorney authorized in writing deposited either at the registered office of the Corporation at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, at which the proxy is to be used, or with the Chairman of the Meeting on the day of the Meeting, or any adjournment thereof, and upon either of such deposits, the proxy is revoked.

PERSONS MAKING THE SOLICITATION

The solicitation is made on behalf of the management of the Corporation. The costs incurred in the preparation and mailing of the Instrument of Proxy, Notice of Annual General and Special Meeting of Shareholders and this Information Circular – Proxy Statement will be borne by the Corporation. In addition to solicitation by mail, proxies may be solicited by personal interviews, telephone or other means of communication and by directors, officers and employees of the Corporation, who will not be specifically remunerated therefor.

EXERCISE OF DISCRETION BY PROXY

The Common Shares represented by proxy in favour of management nominees shall be voted on any ballot at the Meeting and, where the Shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares shall be voted on any ballot in accordance with the specification so made.

In the absence of such specification, the Common Shares will be voted in favour of the matters to be acted upon. The persons appointed under the Instrument of Proxy furnished by the Corporation are conferred with discretionary authority with respect to amendments or variations of those matters specified in the Instrument of Proxy and Notice of Annual General and Special Meeting. At the time of printing this Information Circular - Proxy Statement, management of the Corporation knows of no such amendment, variation or other matter.

Without limiting the generality of the foregoing, the Compensation Committee has the following duties:

- (a) to review the compensation philosophy and remuneration policy for employees of Aldebaran and to recommend to the Board changes to improve Aldebaran's ability to recruit, retain and motivate employees;
- (b) to consider the implications and the risks associated with Aldebaran's compensation policies and practices;
- (c) to review and recommend to the Board the retainer and fees (if any) to be paid to members of the Board, members of committees of the Board, and chairs of the various committees of the Board;
- (d) to review and approve corporate goals and objectives relevant to the compensation of the Chief Executive Officer (“CEO”), evaluate the CEO's performance in light of those corporate goals and objectives, and determine (or make recommendations to the Board with respect to) the CEO's compensation level based on such evaluation;
- (e) to recommend to the Board with respect to non-CEO officer compensation including to review management's recommendations for proposed stock option and other incentive compensation plans and equity based plans for non-CEO officer compensation and make recommendations in respect thereof to the Board;

The majority of the members of the Compensation Committee are required to be independent; as such term is defined for this purpose under applicable securities requirements. Pursuant to the mandate and terms of reference of the Compensation Committee, meetings of the Compensation Committee are to take place at least one time per year and at such other times as the Chair of the Compensation Committee may determine.

Compensation Consultant or Advisor

At no time in the previously two completed financial years of Aldebaran has a compensation consultant or advisor been formally retained by Aldebaran to assist the Board or the Compensation Committee to determine the compensation of the directors or executive officers of Aldebaran.

Risk Implications Associated with Compensation Policies and Practices

The Compensation Committee has considered the implications of the risks associated with Aldebaran's compensation policies and practices and has determined that there are no significant areas of risk because of the discretionary nature of such policies and practices. This determination was based on a number of factors, including, without limitation: that Aldebaran's compensation policies and practices are generally uniform throughout the organization and there are no significant differences in compensation structure among the senior executives; Aldebaran attempts to achieve a balance between cash and equity compensation which is based both on individual and corporate performance, both financial and non-financial; and stock options, which make up a significant portion of a Named Executive Officer's total compensation, generally vest over a period of two years, which acts to mitigate against the potential for inappropriate short-term risk taking. However, as elements of the discretionary compensation of the executive officers, such as the bonus plan, may be based, at least partially, on the performance of Aldebaran over the short term, such policies may cause executive officers to make decisions favouring the short term results of Aldebaran rather than making decisions based on the best interests of Aldebaran over the long term. The ability of the Compensation Committee to consider other factors such as personal contributions to corporate performance and non-financial based elements of corporate performance allows the Compensation Committee to consider whether executive officers have attempted to bolster short-term results at the expense of the long term success of Aldebaran in determining executive compensation.

Compensation Discussion and Analysis

Executive Compensation Principles

Our compensation program is based on a “pay-for-performance” philosophy which supports the Corporation's commitment to delivering performance for its Shareholders. Our compensation policies are founded on the principle that compensation should be aligned with Shareholders' interests, while also recognizing that Aldebaran's corporate performance is dependent upon the retainment of highly trained, experienced and committed executive officers, employees and directors who have the necessary skill sets, education, experience and personal qualities required to manage our business. Our program also recognizes that the various components thereof must be sufficiently flexible to adapt to unexpected developments in the mineral exploration industry and the impact of internal and market-related occurrences from time to time.

Our executive compensation program is comprised of the following principal components: (a) base salary; (b) short-term incentive compensation comprised of discretionary cash bonuses; and (c) long-term incentive compensation comprised of share options. See “*Stock Option Plans and Other Incentive Plans – Option Plan*” below. Together, these components support our long-term growth strategy and are designed to address the following key objectives of our compensation program:

- align executive compensation with Shareholders' interests;
- attract and retain highly qualified management; and
- focus performance by linking incentive compensation to the achievement of business objectives and financial and operational results.

The aggregate value of these principal components and related benefits, is used as a basis for assessing the overall competitiveness of the Corporation's executive compensation package. When determining executive compensation, including the assessment of the competitiveness of the Corporation's compensation program, management and the Compensation Committee reviews the compensation practices of companies in its selected peer group. These companies compete with Aldebaran for executive talent, operate in a similar business environment and are of similar size, scope and complexity.

The Corporation's peer group for these purposes is comprised of similar companies that are exploring and/or developing mining projects, primarily in foreign jurisdictions, and that have market capitalizations roughly similar to that of the Corporation.

The Corporation's compensation program is primarily designed to reward performance and, accordingly, the performance of both the Corporation, as well as the individual performance of executive officers during the year in question, are examined by the Compensation Committee in conjunction with setting executive compensation packages. The Compensation Committee does not set specific performance objectives in assessing the performance of the CEO and other executive officers; rather the Compensation Committee uses its experience and judgment in determining an overall compensation package for the CEO and other executive officers. Some of the factors looked at by the Compensation Committee in assessing the performance of the Corporation and its executive officers are as follows: (a) exploration successes; (b) additions to mineral resources; (c) ability to raise capital as required; (d) compliance with legal and regulatory requirements; and (e) ability to raise the profile of the Corporation within the investment community. The Corporation weighs and reviews its performance for all of the above relative to its goals and objectives and in relation to the performance of its industry peer group.

Elements of our Executive Compensation Program

Each element of the Corporation's executive compensation program is described in more detail below.

Base Salaries

The base salary component is intended to provide a fixed level of competitive pay that reflects each executive officer's primary duties and responsibilities. It also provides a foundation upon which performance-based incentive compensation elements are assessed and established. The Corporation intends to pay base salaries to its executive officers, including the CEO, that are in the range of those for similar positions within our selected peer group. For our executive officers, base salaries are currently below the average of our comparison peer group but are considered to be high enough to accomplish the intended objectives. Salaries of the executive officers, including that of the CEO, are reviewed annually by the Compensation Committee.

Short Term Incentive Compensation – Discretionary Cash Bonuses

In addition to base salaries, the Corporation has a discretionary bonus plan pursuant to which the Board, upon recommendation of the Compensation Committee, may award annual cash bonuses to executive officers. The annual cash bonus element of the executive compensation program is designed to reward both corporate and individual performance during the Corporation's last completed financial year. It is the Compensation Committee's philosophy that an individual bonus should be tied primarily to that individual's contribution to corporate performance. In addition, the discretionary bonus plan is intended to help ensure that overall executive cash compensation (ie. salary and bonus) is comparable to the average cash compensation of executives at peer surveyed companies during the year in question. The amount of the bonus paid is not set in relation to any formula or specific criteria but is the result of a subjective determination of the Corporation's and the individual's performance. The Compensation Committee has not established strict predetermined quantitative performance criteria linked to the payment of bonuses.

Long Term Incentive Compensation – Stock Options

Executive officers, along with all of Aldebaran's officers, directors, employees, contractors and other service providers, are eligible to participate in the Option Plan. The Option Plan and the Common Shares reserved thereunder have been approved by the Shareholders. The Option Plan promotes an ownership perspective among executives, encourages the retention of key

executives and provides an incentive to enhance shareholder value by furthering the Corporation's success. As with most companies in the Corporation's peer group, options form an integral component of the total compensation package provided to the Corporation's executive officers. Participation in the Option Plan rewards overall corporate performance, as measured through the price of the Common Shares. In addition, the Option Plan enables executives to develop and maintain a significant ownership position in the Corporation.

Options to purchase Common Shares (“**Options**”) are normally awarded by the Board upon the commencement of an individual's employment with the Corporation based on the level of responsibility within the Corporation. Additional grants may be made periodically to ensure that the number of Options granted to any particular individual is commensurate with the individual's level of ongoing responsibility within the Corporation. In considering additional grants, we evaluate the number of Options an individual has been granted, the exercise price and value of the Options and the term remaining on those Options. See “*Stock Option Plans and Other Incentive Plans – Option Plans*” below for a description of the detailed terms of the Corporation Option Plan.

Stock Option Plans and Other Incentive Plans

Option Plan

The Corporation has an Option Plan which permits the granting of Options to directors, officers, employees, consultants and other service providers (“**Optionees**”) of the Corporation and its subsidiaries. The Option Plan is intended to afford persons who provide services to Aldebaran an opportunity to obtain an increased proprietary interest in Aldebaran by permitting them to purchase Common Shares and to aid in attracting as well as retaining and encouraging the continued involvement of such persons with Aldebaran. The Option Plan is administered by the Board.

The Option Plan currently limits the number of Common Shares that may be issued on exercise of Options to a number not exceeding 10% of the number of Common Shares which are outstanding from time to time. Options that are cancelled, terminated or expired prior to exercise of all or a portion thereof shall result in the Common Shares that were reserved for issuance thereunder being available for a subsequent grant of Options pursuant to the Option Plan. As the Option Plan is a rolling plan, the issuance of additional Common Shares by the Corporation or the exercise of Options will also give rise to additional availability under the Option Plan.

The number of Common Shares issuable pursuant to Options granted under the Option Plan or any other security-based compensation arrangements of Aldebaran: (i) to any one Optionee in a 12 month period may not exceed 5% of the outstanding Common Shares; (ii) issuable to insiders at any time shall not exceed 10% of the issued and outstanding Common Shares; (iii) issued to insiders within any one-year period may not exceed 10% of the outstanding Common Shares; (iv) to any one consultant may not exceed 2% of the outstanding Common Shares; and (v) issuable to anyone providing investor relations services shall not exceed 2% of the outstanding Common Shares in a year. In addition, the number of Common Shares issuable at any time pursuant to Options to directors of Aldebaran that are not officers or employees of Aldebaran shall be limited to 1% of the issued and outstanding Common Shares. Options granted under the Option Plan are not assignable.

Options granted pursuant to the Option Plan have a term not exceeding five years and vest in such manner as determined by the Board. In the absence of any specific determination to the contrary by the Board, Options will vest and be exercisable as to one third on each of the first, second and third anniversaries of the date of grant.

The exercise price of the Options granted pursuant to the Option Plan is determined by the Board at the time of grant, provided that the exercise price shall not be less than the closing trading price of the Common Shares on the TSX Venture Exchange (or such stock exchange on which the Common Shares may be listed) on the last trading day immediately preceding the date of grant.

In the event that an Optionee ceases to be a director, officer employee of or service provider to Aldebaran or a subsidiary of Aldebaran for any reason, including without limitation, resignation, dismissal or otherwise but excluding death, the Optionee may, prior to the expiry date of the Options and within 90 days from the date of ceasing to be a director, officer employee or service provider, exercise any Options which are vested within such period, after which time any outstanding Options shall terminate. In the event of death of the Optionee, any outstanding Options shall vest immediately and shall terminate on the date that is 90 days following the Optionee's death.

Without the prior approval of the Shareholders of Aldebaran, the Board may not: (i) make any amendment to the Option Plan to increase the percentage of Common Shares issuable on exercise of outstanding Options at any time; (ii) reduce the exercise price of any outstanding Options held by Insiders (as such term is defined in the Option Plan); (iii) extend the term of any outstanding Options beyond the original expiry date of such Option; (iv) make any amendment to increase the maximum limit on the number of securities that may be issued to Insiders; (v) make any amendment to increase the maximum number of Common Shares issuable on exercise of Options to directors who are not officers or employees of the Corporation; (vi) make any amendment to the Option Plan that would permit an Optionee to transfer or assign Options to a new beneficial Optionee other than in the case of death of the Optionee; or (vii) amend the restrictions on amendments that are provided in the Option Plan. Subject to restrictions set out above, the Board may amend or discontinue the Option Plan and Options granted thereunder

at any time, without Shareholder approval, provided that any amendment to the Option Plan that requires approval of any stock exchange on which the Common Shares are listed for trading may not be made without approval of such stock exchange. In addition, no amendment to the Option Plan or Options granted pursuant to the Option Plan may be made without the consent of the Optionee if it adversely alters or impairs any Option previously granted to such Optionee.

The policies of the TSXV require that the Option Plan be approved every year by Shareholders. See “*Matters to be Acted Upon at the Meeting – Approval of the Corporation’s Share Option Plan*”.

Exercise of Option-Based Awards

There have been no exercises of option-based awards for each Named Executive Officer of the Corporation during the last two completed financial years ended June 30, 2021 and June 30, 2020.

Pension Plan Benefits

The Corporation does not have in place any pension plan or similar benefit program that provides for payments or benefits at, following or in connection with retirement.

Termination and Change of Control Benefits

On January 1, 2019, the Corporation entered into consulting agreements with each of John Black and Mark Wayne (the “**Consulting Agreements**”).

The Consulting Agreements continue on a month-to-month basis until terminated by the applicable consultant or the Corporation. The consultants are entitled to participate in the Option Plan and also agree to keep the Corporation’s information

confidential during the term of the Consulting Agreements and indefinitely after the Consulting Agreements are terminated so long as such information remains confidential. The Consulting Agreements may be terminated by Aldebaran at any time if the applicable consultant fails to provide the services described within the applicable Consulting Agreement or upon 12 months payment in any other event, and may also be terminated by the applicable consultant at any time if Aldebaran fails to perform its obligations as described in the applicable Consulting Agreement. Additionally, following a Change of Control (as defined in the applicable Consulting Agreement), the applicable consultant has the right to voluntarily terminate its services under the applicable Consulting Agreement for any reason within 60 days following the effective date of a Change of Control and will be entitled to a lump sum payment calculated by multiplying the Consulting Fee (as defined in the applicable Consulting Agreement) by 24. In addition, any stock options granted to the applicable consultant will accelerate and vest on the consultant's voluntary termination date following the Change of Control. If any of the Consulting Agreements are terminated for any reason other than a Change of Control, there is no automatic resulting acceleration of, or any other benefit relating to, any Options held by the executive officer.

If the Consulting Agreements were terminated by Aldebaran (other than for failure to provide the services outlined in the Consulting Agreement), at June 30, 2021, the termination payment payable thereunder to Messrs. Black and Wayne and Dr. Heather would have been US\$100,000, \$75,000 and US\$125,000, respectively. If the Consulting Agreements were terminated by Aldebaran at June 30, 2021 following a Change of Control, the termination payment payable thereunder to Messrs. Black and Wayne and Dr. Heather would have been US\$200,000, \$150,000 and US\$250,000, respectively.

Director Compensation

No director compensation was paid or issued during the years ended June 30, 2021 and June 30, 2020. The Board intends to review directors' compensation from time to time as considered appropriate having regard to current trends in directors' compensation and compensation data for directors of issuers of comparative size to Aldebaran. Aldebaran does not currently pay any cash compensation to its directors. Members of the Board are entitled to Options granted pursuant to the Option Plan. The Corporation reimburses directors for all reasonable expenses incurred in order to attend meetings.

- (a) the total number of Common Shares issuable pursuant to Options outstanding at any time under the Plan shall not exceed 10% of the aggregate number of Common Shares of the Corporation outstanding, subject to adjustment as set forth herein, and further subject to the applicable rules and regulations of all regulatory authorities to which the Corporation may be subject, including the TSX Venture Exchange (the "**TSX Venture**") or the Toronto Stock Exchange (the "**TSX**") or such other stock exchange as the common shares may be listed for trading;

4. Vesting

The Committee may, in its sole discretion, determine the time during which Options shall vest and the method of vesting, provided that the Options shall not vest on more favourable terms than one-third of the total number of Options granted on the date of grant and on each of the first and second anniversaries of the date of grant. In the absence of any determination by the Committee as to vesting, vesting shall be as to one third on each of the first, second and third anniversaries of the date of grant. For greater certainty, the Committee may, in its sole discretion, accelerate the vesting of Options following their initial grant.

Options granted to consultants performing investor relations activities will contain vesting provisions such that vesting occurs over at least 12 months with no more than $\frac{1}{4}$ of the options vesting in any 3 month period and vesting may not be accelerated without prior approval of the TSX Venture or the TSX or such other stock exchange as the Common Shares may be listed for trading.

6. Option Terms

The period during which an Option is exercisable shall, subject to the provisions of the Plan requiring acceleration of rights of exercise, not be in excess of five years. Each Option shall, among other things, contain provisions to the effect that the Option shall be personal to the Optionee and shall not be assignable or transferable other than in the case of death of the Optionee. provided that the number of Common Shares that the Optionee (or his heirs or successors) shall be entitled to purchase until the Termination Date shall be the number of Common Shares which the Optionee was entitled to purchase on the date of death or the date the Optionee ceased to be an officer, director or employee of, or ceased providing ongoing management or consulting services to, the Corporation, as the case may be. In addition, such Aldebaran Option may, subject to the terms thereof and any other terms of the Aldebaran Stock Option Plan, be extended by the Aldebaran Board of Directors to be exercised up to one year after departure of the participant from Aldebaran (for any reason other than termination for cause), or until the expiry date of the Aldebaran Option, if earlier.

If the normal expiry date of any Option falls within any Blackout Period or within 10 business days (being a day other than a Saturday, Sunday or other than a day when banks in Calgary, Alberta are not generally open for business) following the end of any Blackout Period (the “**Restricted Options**”), then the Expiry Date of such Restricted Options shall, without any further action, be extended to the date that is 10 business days following the end of such Blackout Period. The foregoing extension applies to all Options whatever the date of grant and shall not be considered an extension of the term of the Options as referred to in Section 17 hereof.

7. Exercise of Option

Subject to the provisions of the Plan, an Option may be exercised from time to time by delivery to the Corporation at its head office, or such other place as may be specified by the Corporation, of a written notice of exercise specifying the number of Common Shares with respect to which the Option is being exercised and accompanied by payment in full of the purchase price of the Common Shares then being purchased by cash, certified cheque or bank draft.

8. Mergers, Amalgamation and Sale

If the Corporation shall become merged (whether by plan of arrangement or otherwise) or amalgamated within or with another corporation or shall sell the whole or substantially the whole of its assets and undertakings for shares or securities of another corporation, the Corporation shall, subject to this Section 8, make provision that, upon exercise of an Option during its unexpired period after the effective date of such merger, amalgamation or sale, the

Optionee shall receive such number of shares of the continuing successor corporation in such merger or amalgamation or the securities or shares of the purchasing corporation as the Optionee would have received as a result of such merger, amalgamation or sale if the Optionee had purchased the shares of the Corporation immediately prior thereto for the same consideration paid on the exercise of the Option and had held such shares on the effective date of such merger, amalgamation or sale and, upon such provision being made, the obligation of the Corporation to the Optionee in respect of the Common Shares subject to the Option shall terminate and be at an end and the Optionee shall cease to have any further rights in respect thereof.

9. No Rights as a Shareholder

An Optionee shall not have any of the rights or privileges of a shareholder of the Corporation in respect of any Common Shares issuable upon exercise of an Option until certificates representing such Common Shares have been issued and delivered.

10. Cessation of Employment

For the purposes of this Plan and all option agreements, unless otherwise provided in the applicable option agreement, an Optionee shall be deemed to have ceased to be a Service Provider and an Optionee shall be deemed to have terminated or resigned from employment or consulting arrangement with the Corporation or any of its subsidiaries, as applicable, for the purposes hereof on the first to occur of such termination or resignation or the date (as determined by the Board of Directors) that the Optionee ceases in the active performance of all of the regular duties of the Optionee's job, which includes the carrying on of all of the usual and customary day-to-day duties of the job for the normal and scheduled number of hours in each working day, unless the foregoing is a result in a leave of absence (“**Leave**”) approved for this purpose by the Committee or senior officer to whom such Service Provider reports; the foregoing to apply whether or not adequate or proper notice of termination shall have been provided by and to the Corporation or its subsidiaries, as applicable, in respect of such termination of employment or consulting arrangement. If the Optionee shall take a Leave, the Committee may, in its sole discretion, also modify or change the vesting of any Options granted to such Optionee to take into account the period of the Leave.

11. Termination of Option in the Event of Take-Over Bid

In the event a take-over bid (as defined in the *Securities Act* (Alberta)), which is not exempt from the take-over bid requirements of Part 14 of the *Securities Act* (Alberta) (or its replacement or successor provisions) shall be made for the Common Shares of the Corporation, the Corporation may in the agreement providing for the grant of Options herein provide that the Corporation may require the disposition of the Optionee and the termination of any obligations of the Corporation to the Optionee in respect of any Options granted by paying to the Optionee in cash the difference between the exercise price of unexercised Options and the fair market value of the securities to which the Optionee would have been entitled upon exercise of the unexercised Options on such date, which determination of fair market value shall be conclusively made by the Committee, subject to approval by the stock exchanges upon which the Common Shares are then listed, if required by such exchanges. Upon payment as aforesaid, the Options shall terminate and be at an end and the Optionee shall cease to have any further rights in respect thereof.

12. Alterations in Shares

In the event, at any time or from time to time, that the share capital of the Corporation shall be consolidated or subdivided prior to the exercise by the Optionee, in full, of any Option in respect of all of the shares granted or the Corporation shall pay a dividend upon the Common Shares by way of issuance to the holders thereof of additional Common Shares, Options with respect to any shares which have not been purchased at the time of any such consolidation, subdivision or stock dividend shall be proportionately adjusted so that the Optionee shall from time to

time, upon the exercise of an Option, be entitled to receive the number of shares of the Corporation the Optionee would have held following such consolidation, subdivision or stock dividend if the Optionee had purchased the shares and had held such shares immediately prior to such consolidation, subdivision or stock dividend. Upon any such adjustments being made, the Optionee shall be bound by such adjustments and shall accept the terms of such Options in lieu of the Options previously outstanding.

13. Option Agreements

A written agreement will be entered into between the Corporation and each Optionee to whom an Option is granted hereunder, which agreement will set out the number of Common Shares subject to Option, the Exercise Price, provisions as to vesting (if applicable) and expiry, and any other terms approved by the Committee, all in accordance with the provisions of this Plan. The agreement will be in such form as the Committee may from time to time approve, or authorize the officers of the Corporation to enter into, and may contain such terms as may be considered necessary in order that the Option will comply with this Plan, any provisions respecting Options in the income tax or other laws in force in any country or jurisdiction of which the person to whom the Option is granted may from time to time be a resident or citizen, and the rules of any regulatory body having jurisdiction over the Corporation.

14. Change of Control

The Committee shall have the power, in the event of a Change of Control to make such arrangements as it shall deem appropriate for the exercise of outstanding Option or continuance of outstanding Options, including to accelerate and amend any stock option agreements to permit the exercise of any or all of the remaining Options prior to the completion of any such transaction. If the Committee shall exercise such power, the Option shall be deemed to have been amended to permit the exercise thereof in whole or in part by the Optionee at any time or from time to time as determined by the Committee prior to the completion of such transaction.

15. Surrender Option

An Optionee may make an offer (the “**Surrender Offer**”) to the Corporation, at any time, for the disposition and surrender by the Optionee to the Corporation (and the termination thereof) of any of the Options granted hereunder for an amount (not to exceed fair market value) specified therein by the Optionee and the Corporation may, but is not obligated to, accept the Surrender Offer, subject to any regulatory approval required. If the Surrender Offer, either as made or as renegotiated, is accepted, the Options in respect of which the Surrender Offer relates shall be surrendered and deemed to be terminated and cancelled and shall cease to grant the Optionee any further rights thereunder upon payment of the amount of the agreed Surrender Offer by the Corporation to the Optionee.

16. Regulatory Authorities Approvals

The Plan shall be subject to the approval, if required, of any stock exchange on which the Common Shares are listed for trading. Any Options granted prior to such approval shall be conditional upon such approval being given, and no such Options may be exercised unless such approval, if required, is given.

17. Amendment or Discontinuance of the Plan

The Committee may not, without the prior approval of the holders of Common Shares: (i) make any amendment to the Plan to increase the percentage of Common Shares issuable on exercise of outstanding Options at any time pursuant to Section 3(a) hereof; (ii) extend the term of any outstanding Option beyond the original expiry date of such Option; (iii) make any amendment to increase the maximum limit on the number of securities that may be issued to Insiders pursuant to Sections 3(c) or (d) hereof; (iv) make any amendment to Section 3(e) to increase the maximum number of Common Shares issuable on exercise of Options granted to directors who are not officers or

employees of the Corporation; (v) make any amendment to the Plan that would permit an Optionee to transfer or assign Options to a new beneficial Optionee other than in the case of death of the Optionee; or (vi) amend this Section 17. The Committee may not, without the prior approval of the disinterested holders of Common Shares, reduce the exercise price of any outstanding Options held by Insiders.

Except as restricted by the foregoing, the Committee may amend or discontinue the Plan or Options granted thereunder at any time without shareholder approval provided that any amendment to the Plan that requires approval of any stock exchange on which the Common Shares are listed for trading may not be made without approval of such stock exchange. In addition, no amendment to the Plan or Options granted pursuant to the Plan may be made without the consent of the Optionee, if it adversely alters or impairs any Option previously granted to such Optionee under the Plan.

18. Hold Period

In addition to any resale restrictions imposed under applicable securities laws, if required by the TSX Venture or the TSX or any other regulatory authority, Options granted under the Plan and Common Shares issued on exercise of such Options may be required to be legended evidencing that the Options and the Common Shares issued upon exercise of the Options are subject to a hold period or restricted period as required by the TSX Venture or the TSX or other applicable regulatory authority and the Optionee by accepting the Option agrees to comply therewith.

19. Common Shares Duly Issued

Common Shares issued upon the exercise of an Option granted hereunder will be validly issued and allotted as fully paid and non-assessable upon receipt by the Corporation of the Exercise Price therefore in accordance with the terms of the Option, and the issuance of Common Shares thereunder will not require a resolution or approval of the Board of Directors of the Corporation.

20. Prior Plans

This Plan shall come into force and effect on ratification approval by shareholders of the Corporation or its predecessor corporations and, if necessary, approval of any stock exchange on which the Common Shares are listed for trading and entirely replaces and supersedes prior share option plans enacted by the Board of Directors of the Corporation, or its predecessor corporations.

3. All of the members of the Committee must be “financially literate” (as defined in NI 52-110) unless the Board determines that an exemption under NI 52-110 from such requirement in respect of any particular member is available and determines to rely thereon in accordance with the provisions of NI 52-110.
