NEWS RELEASE

Aldebaran Announces Early Exercise of Warrants by Route One and Senior Management and Addition of a Fourth Drill Rig at the Altar Project

VANCOUVER, CANADA (March 30, 2023) – Aldebaran Resources Inc. (“Aldebaran” or the “Company”) (TSX-V: ALDE, OTCQX: ADBRF) announces that its largest shareholder, Route One Investment Company LLC, together with senior management of the Company, have agreed to an early exercise of 4.7 MM common share purchase warrants. These warrants have an expiry date of May 3, 2023, a strike price of \$0.70, and gross proceeds to the Company will be \$3.3 MM. An additional 5.3 MM warrants will remain outstanding after the early exercise described above.

The Company also advises that it has secured a fourth drill rig, expected to be on site in the coming days.

John Black, Chief Executive Officer of Aldebaran, commented as follows: *“We appreciate the continued support shown by our largest shareholder, Route One. These warrant exercises top up the treasury and help us bring a fourth drill rig onto the property. The additional drill rig will help us expedite the current drill program and all four rigs will be focused on testing the very encouraging geophysical anomaly sitting adjacent to and underneath the current resources at Altar.”*

About Aldebaran Resources Inc.

Aldebaran is a mineral exploration company that was spun out of Regulus Resources Inc. in 2018 and has the same core management team. Aldebaran has the right to earn up to an 80% interest in the Altar copper-gold project in San Juan Province, Argentina from Sibanye Stillwater Limited. The Altar project hosts multiple porphyry copper-gold deposits with potential for additional discoveries. Altar forms part of a cluster of world-class porphyry copper deposits which includes Los Pelambres (Antofagasta Minerals), El Pachón (Glencore), and Los Azules (McEwen Copper). In March 2021 the Company announced an updated mineral resource estimate for Altar, prepared by Independent Mining Consultants Inc. and based on the drilling completed up to and including 2020 (independent technical report prepared by Independent Mining Consultants Inc., Tucson, Arizona, titled “*Technical Report, Estimated Mineral Resources, Altar Project, San Juan Province, Argentina*”, dated March 22, 2021 - see news release dated March 22, 2021).
